MASONIC CALENDAR

Ancient Craft Masons commence their era with the creation of the world, calling it ANNO LUCIS (A.L.) "in the Year of Light."

Scottish Rite differs from the Ancient Craft in that they use the Jewish chronology, ANNO MUNDI (A.M.) "in the Year of the World"

Royal Arch Masons date theirs from the year the second temple was commenced by Zerubbabel, ANNO INVENTIONIS (A.I.) "in the Year of Discovery."

Royal and Select Masters (Cryptic Masons) use the completion date of King Solomon's Temple, ANNO DEPOSITIONIS (A.Dep.) "in the Year of Deposit."

Knights Templar commence their era with the organization of their order, ANNO ORDINIS (A.O.) "in the Year of the Order."

Order of High Priesthood dates from the year of the blessing of Abraham by the High Priest, Melchizedek, ANNO BONNEFACIO (A.B.) "in the Year of the Blessing."

Ancient Craft Masons - (Add 4000 years to the common era)
Thus 1995 and 4000 = 5995

Scottish Rite - (Add 3760 years to the common era)
Thus 1995 and 3760 = 5755

Royal Arch - - (Add 530 years to the vulgar year)
Thus 1995 and 530 = 2525

Royal & Select Masters - (Add 1000 years to the common year)
Thus 1995 and 1000 = 2995

Knights Templar (From the Christian era take 1118)
Thus 1118 from 1995 = 877

Order of High Priesthood - (Add to the Christian era 1913)
Thus 1995 and 1913 = 3908

BAZAAR

Sir Knight Richard J. Carr, retiring Grand Commander, reported that the Ladies Bazaar turned over \$2,400.00 to the three principal charities, the most ever realized on that annual project.

The ladies are also to be highly complimented for their outstanding Hospitality Room efforts.

PRE-CONVENTION ACTIVITIES

Budget and Finance Committee Meetings for all three Grand York Rite Bodies began at 0900 on Saturday 27 May 1995, and continued to completion before lunch.

Eminent Knight George Chipouras opened Miami Priory No.10 KYCH and received a class of three candidates with the usual impressive ceremonies. At the annual election, George A. Chipouras was elected Eminent Prior. Eminent Knight Joseph C. LeSuer, Personal Representative of the Grand Master General was present.

Following his election at the KYCH Meeting, George A. Chipouras, Puissant Sovereign, opened Miami Conclave, Red Cross of Constantine and closed the same after a short business session.

There was the usual attendance at the KYCH/Red Cross Banquet that evening when Eminent Knight Francis L. Dancy installed the Eminent Prior and other KYCH officers.

SUNDAY, 28 MAY 1995

All Jurisprudence Committees completed their agendas as scheduled and other convention committees went about their business.

RELIGIOUS/MEMORIAL SERVICES

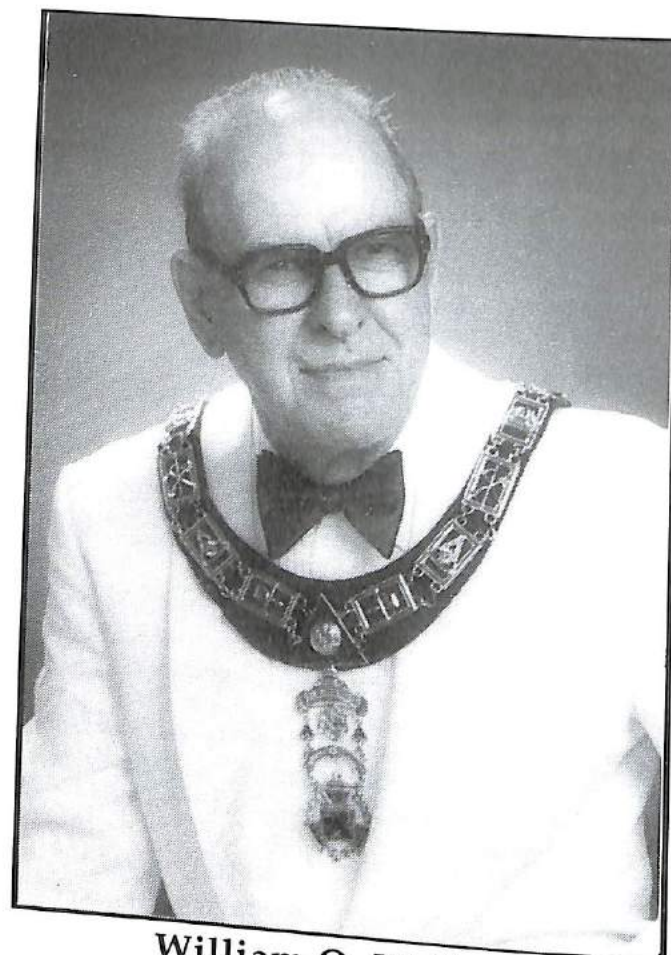

The Joint York Rite Divine Service was combined with a Memorial Service on Sunday Evening. The offering of \$519.00 was equally divided between the three principal charities of the Grand Chapter, Council and Commendery.

The Religious/Memorial Service, jointly planned by the three Grand York Rite Bodies, included traditional ceremonies by Companions and Sir Knights, and Ladies contributing as guest Organist and Soloists. The Reverend Sir Knight Ralph A. Jones Jr delivered the sermon. The collection of \$519.00 was mentioned in the preceeding paragraph.

The Memorial part of the Service included the three Chaplains and the three Grand Presiding Officers presenting memorials. Taps was sounded, the Benediction by Sir Knight Leslie H. Scott Jr, and closed with the traditional Recessional Hymn.

The Order of High Priesthood, The Florida Council of Anointed Kings and the Knight Crusaders of the Holy Cross are all indexed in their proper places in this book.

Florida Associate Regents of the York Rite Sovereign College of North America again hosted a Purple Cross Breakfast for members and distinguished guests attending the convention. Right Eminently Distinguished Richard J. Carr, Grand Governor of Florida, welcomed those present and kept introductions to a minimum.

REPORT OF THE GRAND CHAPTER MEMBERSHIP COMMITTEE WITH BLUE LODGE REPRESENTATIVE PROGRAM

This committee was tasked with two main responsibilities during the past year. The first was to continue past efforts to solicit new York Rite Masons from the rolls of newly made Master Masons. The second, but no less important, was to revitalize the Blue Lodge Representative program.

The Chairman of the Committees was again supplied with a list of names of new Master Masons which were input into a database. This list was broken down by district and your District Deputies supplied with a list of those Master Masons within his district. This list was in turn broken down and distributed to the various chapters within the respective districts.

A request was then made to the District Deputies that they, with the Chapters in their District, "pare" the list by eliminating those Brothers who had become York Rite Masons and those who had moved from the jurisdiction.

Finally respective Chapters were encouraged to make use of these finalized lists to solicit new candidates for the York Rite Bodies. The results of these endeavors to be reported to the District Deputies and they to the Chairman of this committee.

As to be expected these programs have met with varying degrees of success. Some Districts have been quite successful in utilizing the lists of Master Masons to recruit candidates. Other areas have carries this a step further and solicited the local Lodges for lists of older members who are not York Rite Masons.

Other Districts have had marginal results with both programs for a variety of reasons. In some areas local Blue Lodge secretaries have been unwilling to cooperate in some of the fact gathering efforts.

This committee makes the following recommendations:

1. A continuation of the Blue Lodge Representative Program and continued and concentrated effort to solicit representatives who are in regular contact with the new members of their particular Lodges. Also that those who are appointed representatives are sufficiently knowledgeable to properly present a picture of the York Rite. (An education program might be in order here)
2. That the program of providing lists of new Master Masons be continued.
3. A return to an organized effort of retention and revitalization of current membership. A particular effort being made to make our meetings more interesting and of a proper length.

GRAND YORK RITE CONVENTION COMMITTEE '95

This years convention, was held at the Orlando Hilton North in Altamonte Springs. From the comments we have received this seems to be a very popular location for our convention. Special thanks need to go to the hotel staff for all of the help and assistance we received. Without this help our convention would not have been as smooth or enjoyable for anyone.

Efforts were made by our Grand Chapter, Grand Council, and Grand Commandery lines to bring up the attendance at our Grand Banquet. Last year we guaranteed 300 meals and served 305. This year we guaranteed 350 and served 362. This is a sizable increase for one year and we appreciate everyone's efforts. The Ladies lunch was an outstanding success, with 153 ladies participating.

The only problem that was faced by this event was getting them to leave; all enjoyed themselves. The efforts of our three First Ladies made this event something special and they are to be congratulated for their fine work.

The Men's Lunch was well attended and everyone seemed to enjoy the meal and fellowship.

The Hospitality Room was, as usual, an incredible success. Jean Young and Sonja Piasecki along with the other ladies did an excellent job. We also greatly appreciate the gallons of orange juice supplied by Francis Dancy, this was a real pick me up. We have instituted a program to make the attendance at our convention grow. These people are certainly pulling more then their weight. Our program this year was a success. The cost of the printing and set-up was \$3,034.67. We would especially like to thank our printer, Florida Graphics, for the outstanding job they did. They even went to the expense of varnishing the covers of our program at no addition cost to us.

All of us in York Rite need to give special thanks to the following ladies: Mrs. Betty Fletcher, Mrs. Ruth Aspley, and Mrs. Millie Young for the incredible job done at the Bazaar table. Each year they say to us that "We only want a dollar more than last year", well this year they did much better than that. I don't think they let a single person, York Rite or not, get by without buying something. Great Work!!!!

Two pieces of legislation were passed this year during the convention which those of us on the committee appreciated. First, the approval and acceptance for five years of the background for our nametags. Second, the voting to return nametag holders at the end of the convention. Both of these pieces of legislation will help save us time and money, and we appreciate it.

As stated earlier in the report, our committee has been embarking on a program to help make our convention grow. This year we began to see the results of this program and, to be honest, we were not prepared for the response we received. We booked 200 rooms, anticipating moderate growth and we were still 15 rooms short.

This was an inconvenience to some of the Companions, and we have taken steps to ensure that this will never happen again. The growth we experienced is a good sign for York Rite in Florida. We would especially like to thank those brothers who came to our rescue during our time of trouble and need.

Our committee would also like to thank those Companions who preregistered. This saved everyone a lot of time and work. Companions next year, when we begin to send out the paperwork for the convention, please take the time to read it and make sure the information is correct. Our Committee has been building a database to speed things along, and when we have incorrect information it slows us and you down during registration.

A very special thanks goes to those who helped in seeing that this convention was a success. Sir Knight Clay Oehlert, for taking care of all the set - up and arrangements for the meeting rooms in the hotel Companion Al Graulich, for taking care of the computer world. And a very special thanks to Mrs. Shirley Anderson, who took care of just about everything else. Her help has been invaluable to all year.

It was again a pleasure to serve the craft in putting this convention together. We are looking forward to next year and hoping to make it even better.

Gordon Anderson, Chapter Chairman
Clay Oehlert, Commandery Chairman
A. J. Graulich, Council Chairman

COMMITTEE ON RITUALISTIC MATERIAL

It is the function of this Ritualistic Material Committee to distribute one set of this material to each of the three Dais Officers of the Constituent Chapters of Florida. Each set will consist of the Chapter Red Book, Essentials, and the Key Lecture.

It is regretable that I report there are several Chapters that have not reported on the Forms sent to their Chapters. I strongly suggest that those who have not reported do so as soon as possible, so that each Chapter will have this very important material.

Woodrow Cash Chairman William O. Walker

DISTINGUISHED GUEST COMMITTEE

We are happy to report that 17 Past Grand High Priests of Florida were introduced and extended Grand Honors. All those who had not already received Honorary Memberships in this grand Chapter were so elected at this Grand Convocation.

Robert O. Bell Chairman Duane Young John Fletcher

FRATERNAL RELATIONS COMMITTEE

To the Most Excellent Grand High Priest William O. Walker, Officers and Members of the Grand Chapter Royal Arch Masons of Florida:

Your Committee is appreciative of the presence of the General Grand High Priest of the General Grand Chapter, Royal Arch Masons, International, R. Glenn Capps. We urge each of you to visit with him and learn of Grand Chapters in far off places.

Your Committee on Fraternal Relations has had but one request for fraternal recognition during the past year, namely that from the Supreme Grand Chapter of Royal Arch Masons of Greece.

The General Grand Chapter, Royal Arch Masons, International, in February of 1988 issued an edict calling upon their Subordinate Chapters of Royal Arch Masons and not a member of sovereign Grand Chapters to cease any masonic intercourse with that Supreme Grand Chapter. This action was taken because the Grand Lodge in Greece expelled the York Rite and its officers who then proceeded to form another Grand Lodge and another Grand Chapter.

Our own Grand Chapter was not obligated to observe that edict, but did vote to cease fraternal recognition, and correspondence with and visitation privileges.

Delegations from Greece have since visited the United States (and Miami) seeking to get back in good graces. But rumors tell us that now there are three Grand Lodges in Greece, and three Grand Chapters. The original charter issued to Greece by Gordon Merrick, in 1977 has not been returned, and is not the Supreme Grand Chapter. Some of the men of the original three Chapters are now located in other Chapters - and we do not know to whom they owe allegiance.

Your Committee recommends that no action be taken at this time, and that further studies be continued.

Your Committee is willing to acknowledge that there was a Grand Chapter in Columbia (contrary to last year's report), and if they request recognition, it should be granted.

The Grand Chapter in Newfoundland, organized last year by dividing the Grand Chapter of Nova Scotia, appears to be flourishing. Since we have recognized the Grand Chapter of Nova Scotia, and exchanged Grand Representatives in the past, it is recommended that we exchange Grand Representatives if they request.

Fraternally submitted,
Robert O. Bell Marvin W. Gerhard
Walter H. Winchester, Ch.

**REPORT OF THE MOST EXCELLENT GRAND HIGH PRIEST
WILLIAM O. WALKER 1994-95**

To the Most Excellent Grand Chapter, Royal Arch Masons of Florida, Grand Chapter Officers, District Deputy Grand High Priests, Past Grand High Priests, members of the Grand Chapter, Distinguished Guests and Companions:

Welcome to the One Hundred Forty Eighth Annual Grand Convocation of the Grand Chapter of Royal Arch Masons of Florida being held this 31st day of May 1995. You honor us with your presence. I extend my personal greetings and hope that our hospitality has made this a pleasant and enjoyable experience.

STATE OF THE CRAFT

I believe that Royal Arch Masonry is alive and healthy in Florida. We are fortunate to have knowledgeable and dedicated Grand Line Officers to lead the Grand Chapter into the Twenty First Century and I believe that Royal Arch Masonry will flourish and prosper under this leadership.

Our Grand Line was twice broken this past year. Companion Kenneth K. Johnson, Grand Principal Sojourner passed to the Celestial Lodge on High on July 27, 1994. Companion Charles W. Wagner, Grand Master of the Third Veil moved from our Grand Jurisdiction and resigned effective September 1st, 1994. All Grand Line Officers from the Grand Royal Arch Captain to the Grand Sentinel were moved up to fill the vacancies. Companion Steven Q. Steele was appointed Grand Master of the First Veil, Companion M. Charles Boice was appointed Grand Sentinel and Companion Leonard E. Whitehead was appointed District Deputy Grand High Priest of the Tenth Capitular District. All Companions were Duly installed.

We experienced a net loss of 98 Companions for the Capitular year 1994. There were 239 suspensions, 320 exaltations, 62 reinstatements, 32 affiliations and the Supreme High Priest summoned 222 Companions from our midst. The net loss is an improvement over recent years and hopefully is a sign that we are reversing our membership loss. However, Companions, we are not yet selling York Rite Masonry as we should. Of the 820 Candidates raised to the Sublime Degree of Master Mason in the one day Grand Master's Class on March 26, 1994, less than one percent have petitioned for the degrees in the York Rite. We have a Blue Lodge Representative Program on going which must be vigorously supported by all three York Rite Bodies.

Twenty nine Chapters contributed to the Royal Arch Research Assistance Endowment Fund for a total of \$7622.67 or \$.87 per member. With some late returns we may yet reach our goal of \$1.00 per member.

Companions, there is one problem that has plagued us for years, it is the lack of communication within our Grand Chapter. It is essential that communication be greatly improved if we are to efficiently administer the affairs of our Grand Chapter.

RECOMMENDATIONS

1. Conduct Workshops at least once a year within each Capitular District for the purpose of assisting Subordinate Chapter Officers in the administration of Chapter business.
2. That each Subordinate Chapter send a copy of the Report of the Election of Officers to the Grand High Priest, Grand King and Grand Scribe in addition to the Grand Secretary.
3. Clarify when Dispensations are required.
4. Ensure that each Constituent Chapter has a current copy of the Constitution, Laws and Regulations of the Grand Chapter.
5. Make copies of the Constitution, Laws and Regulations of the Grand Chapter available to the District Deputy Grand High Priests during their term in office.
6. That the Ad Hoc Committee working on updating the Constitution, Laws and Regulations by comparing with the Grand Chapter Proceedings be continued until the task is completed.

VOUCHERS SIGNED

Vouchers Number 1 through 111, 114 and 116 in the amount of \$34,189.41.

APPRECIATION

To my wife, Florence who has traveled with me both in and out of state. Without her love, encouragement and assistance the task would indeed have been difficult. To Most Excellent Companion J. Russell Hammond who appointed me to the Grand Chapter Line. To the Companions and Sir Knights of the Sanford York Rite Bodies who have supported me in all my endeavors. To Right Excellent Companion Howard P. Bennett, Grand Secretary and his efficient staff for their assistance whenever needed. To the Grand Chapter Officers and the District Deputy Grand High Priests for their support and assistance. To our Past Grand high Priests for their wise counsel. To the members of our Committees for their dedicated service. To Most Illustrious Keith W. Dean, Most Illustrious Grand Master and his wife Sandy and Sir Knight Richard J. Carr, Right Eminent Grand Commander and his wife Irene for their friendship and support.

CONCLUSION

Companions, I have been highly honored to have served you as your Grand High Priest during the Capitular Year 1994-95. It has been an experience that I will long cherish. I pray that you will extend to my successor the brotherly love and cooperation that you have given me. I will continue to work for York Rite Masonry

in general and Capitular Masonry in particular in whatever capacity God may permit.

NECROLOGY

While we are most grateful to the Supreme Grand High Priest of Heaven and Earth for the many wonderful blessings He has bestowed upon us this past year, it saddens me to report that our Heavenly Father has, in His infinite wisdom, seen fit to call from Labor to Refreshment our beloved friends and brothers Most Excellent Companions Russell W. Houston, Loftin D. Chiles and Russell W. Wells, Past Grand High Priests of this Grand Chapter of Royal Arch Masons. In addition our Grand line heard the dreaded call of the Angel of Death when Most Illustrious Companion Kenneth Kyle Johnson, Grand Principal Sojourner answered the call on July 27, 1994.

In reverence we pause to pay loving tribute to those 222 Companions who laid down their working tools in this valley of tears and passed through the final veil to their eternal abiding place in that Temple not made with hands, eternal in the Heavens where eternal rest and joy prevail. We extend to their families and friends our heartfelt sympathy in their great loss and ask our Father in Heaven to fill the void with His Spirit. We revere their good deeds, their faithful service to the Craft and the personal joy of their friendship.

"Death is not snuffing out life's flame
Precipitating strife;
It's like the first faint flush of dawn,
Prophesying life.
And death is not some dead-end street
Where life abruptly ends;
It is a door that leads to realms
Where fairer life begins.
Death is not endless wandering
Like trails the nomads trod;
It is the surest road to life,
The nearest path to God.
And death is not some dark ordeal
Necessitating fear,
For it's as calm as peaceful sleep
In arms of someone dear."

I ask that the Grand Chaplain offer a prayer at this time.

GRAND CHAPTER GOALS 1994-95

1. Support our Blue Lodges with our attendance and our talents. Assist them with their NPD's.
2. Reduce Chapter NPD's.

3. Sell York Rite Masonry by our actions.
4. Assist the General Grand High Priest in his goal of doubling the RARA Endowment. Strive for a minimum of \$1.00 per member.
5. Improve Communications within the Grand Chapter.
6. Promote continued improvement in our Ritual Work.
7. Support the efforts of the Blue Lodge Representative and Membership Development Committee.
8. Make Religious Affirmation Observance an essential part of Royal Arch Masonry. There should be no less than 100% participation.
9. Publicize Masonry in general and Royal Arch Masonry in particular.
10. Continue and increase fraternal relations with foreign jurisdictions and sister appendant orders.

REPORT OF COMMITTEE GRAND REPRESENTATIVE PROGRAM

Your Committee on the Grand Representative Program was saddened by the sudden death of one of its members, Hadley B. Elikier. He had previously discussed some of the concerns that this committee has had over the recent years, and indicated a great interest in trying to help our companions in earning any honors that might be attendant upon their appointment by being active as the Grand Representative of another jurisdiction and near Florida.

During the past year there has been some increase in activity, and even some visitations, and this committee is proud to acknowledge that persistence has paid off for some.

Basic problems for many is that they have had no communication with their counterpart upon which to build a lasting masonic friendship. Often their counterpart has failed to reply to a first exploratory letter. M.I. Past Grand Master Burleson was persistent - worked through their Grand Secretary - discovered a change in address - and subsequent correspondence was productive. The point is, he tried, and tried again after previous "setbacks."

Contact with each of our sister jurisdictions several times a year is implied when one receives an appointment. During the past year several wrong names and wrong addresses have been uncovered. To try to bring our rosters current, a brief questionnaire was passed out to each Grand Representative in attendance at the credentials desk. It is hoped that these will be returned by the first of July, that all the corrections can be inserted into our proceedings of this convention.

On behalf of the members of this committee, we thank you for the opportunity of serving, for it has provided an opportunity to encourage a number of our members to enjoy the fraternalism that is present between two jurisdictions when their respective Grand Representatives maintain close contact.

Fraternally submitted,
 Addison "Pete" Bennett
 Walter H. Winchester, Ch

GRAND SECRETARY'S REPORT

What has transpired in the Grand York Rite Office. We inherited a half dozen old metal filing cabinets that would hardly stand alone, an outdated typewriter, an antique calculator, and a copier that we could never get to work.

Today we manage a modern office for you. Starting out with some donations, physical help and a lot of good will, we painted the two rooms we rented, lowered the ceiling with acoustic tile, carpeted the floors and added a restroom.

We have always flown a United States Flag over our front entrance. With assistance from Comp/SKs Lank Green, George Malone and others, I have learned enough about computers to provide camera-ready copy for our Proceedings printer for several years. That represents a substantial savings, which with responsible fiscal management, we have acquired modern equipment without having had to ask for more from the General Fund.

We have a wide carriage Epson 1050 Printer 11 years old, and a five year old HP/LJ3 printer recently (guaranteed) serviced. Our seven year old 286 Computer and the new 486 DX2 (520m HD and 10m RAM) are both fully equipped and in daily use.

We have automatic pencil sharpeners and staplers, three typewriters in good repair, two electronic calculators, a Fax Machine, 3 phones (one line) with call-waiting capacity, a coffee maker, a refrigerator and a microwave oven.

We have also always indexed the Proceedings (Doc Winchester's suggestion), and for the first time ever we have brought an up-to-date Florida York Rite Directory to this Convention.

Fran and I have a professional relationship that is almost as enduring as our family friendship. And now Companion/Sir Knight Wm. Robert "Bob" Young, Grand Organist, Secretary-Recorder of the Cocoa York Rite Bodies, has been with us long enough to know about most of our problems. He has brought a great amount of relief to both Fran and me.

Courteously submitted,
 Howard P. Bennett Gr/Sec-Rec

REPORT OF THE GRAND CHAPTER HISTORY COMMITTEE

Our 1993 Report gives a brief coverage of the organization of the Grand Chapter of Royal Arch Masons of Florida in 1847. I have not as yet been able to locate proceedings for the years 1872, 1873, 1882, 1884 and 1939. It will be appreciated if any Companion can furnish or loan these five years of proceedings to the History Committee.

I have recently been in contact with the Library of the Grand Lodge AF&AM of Iowa and they advise me that they have copies of these five years which we are missing. If they do have them and will loan them to the Grand Lodge of Florida, it will give us research material for all of the years that our Grand Chapter has been organized.

The General Grand Chapter is presently in the process of printing a history of each of the Grand Royal Arch Chapters. I was assigned the writing of our Florida History which will be included in that printing. My writing was ten double-spaced typewritten pages and briefly included 1947 through 1993. Ten such pages was the maximum which each Grand Chapter was permitted to write. Our Grand Chapter will be notified when this History is available for purchase.

I wish to express my appreciation to our Most Excellent Grand High Priest for allowing me to serve our Grand Chapter.

J. Roy Crowther., Chairman

JURISPRUDENCE COMMITTEE

The Jurisprudence Committee has reviewed the report of the Most Excellent Grand High Priest, Companion William O. Walker. We find that the Most Excellent Grand High Priest acted judiciously within the Constitution, Laws and Regulations of the Grand Chapter of Royal Arch Masons of Florida; and, within the prerogatives of his office. His actions relative to dispensations, By-Laws Amendments and By-Laws Revisions were proper in each instance.

We commend M.E. Companion Walker for the diligent, prudent, deliberate and decisive manner in which he executed the broad and varied range of affairs for this Grand Royal Arch Chapter. He was confronted with several non-traditional situations which were handled in a timely and professional manner. His personal style of communication, teaching and instruction enhanced the administrative discipline within the several constituent Royal Arch Masonic Chapters.

Particularly noteworthy was the open line of communications between the Grand High Priest and this Jurisprudence Committee. He frequently consulted with members of the Committee on matters of Capitular law, regulations or procedures prior to finalizing his action or decision. We commend him for such precautionary measures.

The Jurisprudence Committee reviewed one resolution which was circulated to the Constituent Chapters prior to this Grand Convocation. We find it to be in order and proper for action by the delegates.

The Committee concurs with each of six recommendations stated in the M.E. Grand High Priest's Report.

The Committee recommends that a page in the 1995 Proceedings for this Grand Convocation be dedicated to the Memory of each of our Beloved M.E. Past Grand High Priests Russell W. Houston, Loftin D. Chiles and Russell W. Wells.

Each member of the Jurisprudence Committee hereby express their personal gratitude for the privilege of serving this Grand Royal Arch Masonic Chapter.

Respectfully submitted,
Vernon H. Miller, PGHP

LEGAL ADVISORY COMMITTEE

To the M.E. Grand Chapter Royal Arch Masons of Florida:

During this past year, this committee has received no request which would require legal assistance. We are happy to report that harmony and peace prevail through this Grand Jurisdiction.

Earl G. Nicholson, Chairman
Albert B. Russ, Jr.

LIBRARY COMMITTEE

The General Grand Chapter RAM International Library housed at the York Rite Temple (407 Belcher Road) in Clearwater, Florida, continues to be available the First and Third Wednesdays of each month except August.

We are pleased to report many Companions from the United States and Canada have visited the library this year. We were excited when a Companion from Queensland, Australia (now residing in New Guinea) visited the library. My Companions, it is truly an international library.

The committee wishes to thank the Grand Chapter of Florida for budgeting funds for the library. This allows the committee to pursue several ideas and projects beneficial to the craft. Unfortunately as of this date they have not yet been completed.

The committee also thanks the Grand Chapter of Royal Arch Masons of Florida for allowing us the privilege of serving on the Library Committee. By continuing our education through reading we find the door opening to unanswered questions. We, the committee, urge all Companions whenever possible to visit the library. It has been said many times "when we are through learning, we are through."

LONG RANGE FINANCE COMMITTEE

The purpose of the Long Range Finance Committee is to provide oversight of the financial posture for the Grand Chapter, Royal Arch Masons of Florida. In this context, the Committee commends the Grand Treasurer for the prudent dedicated manner with which the surplus funds of this Grand Chapter continue to be invested.

Attention is invited to this Committee's report for 1994. (See pages 26 & 27, Grand Chapter, RAM, Proceedings for 1994). As an up-date to the statistics quoted therein, the Grand Chapter gained 418, lost 516; for a net loss of 98 members for the calendar year ending 31 December 1994. While this figure reflects a lesser loss than the previous five year average, it does reveal that we must continue a dynamic program to increase the membership and, thus the revenue, to meet ever rising costs and continue viable services for the Members and Freemasonry.

This Committee has reviewed the Joint Resolution submitted by Companion/Sir Knight John B. Fletcher, Chairman, Committee on Life Membership, for consideration at this Grand Convocation. The intent and purpose of the proposed Resolution is a timely attempt to improve the capital investment and, thereby, the dividends returned to the constituent York Rite Bodies.

It is noted that a number of Chapters have not yet adopted the Life Member Program. Some of the reasons advanced are: (1) lack of confidence in the program; (2) Falling and or fluctuating interest rates adversely affecting yield and (3) Lack of knowledge on the part of members.

The Perpetual Member Program adopted by the Grand Lodge of Free and Accepted Masons of Florida (R 26.05.1 & R 26.05.02 Grand Lodge Digest) receives exceptional praise from particular Lodges and participating Members for its simplicity and long range yield. There is a general sense evident among knowledgeable York Rite Members that adoption of the Grand Lodge Perpetual Member Program would improve the long term yield for the constituent Chapters and York Rite Bodies; and thus enhance the over-all financial posture.

It is therefore recommended that the Perpetual Member Program as implemented by the Grand Lodge of Florida be favorably considered; and, Constitutional amendments be prepared for adoption by each Grand York Body of Florida.

MASONIC RELATIONS REPORT

To the Most Excellent Grand High Priest William O. Walker, Officers and Members of the M.E. Grand Chapter, Royal Arch Masons of Florida:

Your Committee on Masonic Relations has had no specific questions presented during the past year.

We are pleased to acknowledge there appears for the most part to be harmony midst our several Masonic Organizations.

Our relations with the Scottish Rite here in Florida are comfortable.

Our relations with the youth groups have improved, although too few of our members participate in active guidance. We would like to see our Youth Trophies at our annual meetings as well as some of their leaders.

Almost all of our Masonic friends belong to organizations that have lost significant numbers of members. No where is this more evident than with the Imperial Shrine of North America.

Our great enemy in our masonic relations is apathy of the many who do not attend our meetings more than very irregularly. How did we get here in this our hour of frustration? First, someone touched us - but now, whom will each of us touch? When will each of us extend the hand of brotherhood not for money, but to share the fellowship of our fraternity with those who are less informed?

James A. Wilson, P.G.M. Walter H. Winchester, PGHP, Ch.

NECROLOGY COMMITTEE

Once again the call from the Supreme High Priest of Heaven and Earth was heard and answered by a member of our Grand Line. A call to depart this earthly realm, and to reside in the Father's House, where a mansion was prepared for him, a place not made by hands.

A place where he and others of this Grand Jurisdiction were received with loving outstretched arms.

To the various Chapters of Florida and our Sister Grand Chapters, we share with you in the loss of your Companions.

The Book of Ecclesiastes tells us in 3:2, "there is a time to be born, and a time to die....." However when death beckons to a family member, or a friend; we ask that all important question "Why".

The Necrology Committee proposes that this report, in addition to that of the Memorial Services conducted on Sunday 28 May, be adopted as the Necrology Committee Report, entered in the records and published in the Proceedings. And that a list of departed distinguished Companions from our Sister Grand Jurisdictions be included in this report.

To The Grand Chapter, Grand Council and Grand Commandery:

Photographs and video recordings were made as required or requested and as appropriate for all Convention activities.

In 1994 we were able to adjust to every situation, but hope we can do some planning for the Official Group Pictures at the 1995 Grand Sessions.

As usual all pictures were made available to members and wives from our committee. We thank the appointing authority for this opportunity to serve.

REPORT OF THE COMMITTEE ON PUBLICITY

To the Grand Chapter Royal Arch Masons of Florida:

The Publicity Committee was not called on to perform, nor was anything of Masonic importance brought to its attention.

It is recommended that the committee cease to function as an independent committee within the Grand Chapter, but work in conjunction with the Grand Council and Grand Commandery Publicity Committees with the Publicity Chairman of the Grand Lodge of Florida being the Chairman of all four Masonic Bodies.

In this day and age many organizations, both fraternally and union, are finding it more effective and less costly to work as a larger unit as opposed to, in our case, four separate committees working in a redundant manner.

RELIGIOUS AFFIRMATION DAY REPORT

In May 1994 Most Excellent Grand High Priest William O. Walker issued his Proclamation that each constituent Chapter observe a Religious Affirmation Day with their families during the month of October. We as Exalted Companions of the Royal Arch should especially realize our duty to GOD, our neighbors and ourselves.

Results of the reports are tabulated below. Each High Priest and Secretary should be made aware of the importance of religious affirmation. As GOD fearing men we must let our Light shine before the world so that a proper rebuke might be made to those who insist that our GOD is any other than the great Jehovah.

It is recommended that Religious Affirmation Day continue to be observed.

REPORT OF ROYAL ARCH RESEARCH ASSISTANCE 1994-1995

To the Most Excellent Grand Chapter Royal Arch Masons of Florida:

This is the report of progress and activities of the Royal Arch Research Assistance Program for the Capitular Year 1994-1995. The Companions of the Most Excellent Grand Chapter Royal Arch Masons of Florida continue their support of the philanthropy of the General Grand Chapter Royal Arch Masons International. The Companions of this grand jurisdiction have continued their fine support through the eighteenth year. The effort continues to be satisfactory, however, we again fell short of the goal that we have set for ourselves.

During the past Capitular year 30 constituent chapters, 4 honorary bodies and the "Ladies Boutique" have supported our charity. Contributions of \$8172.67 have been made during this reporting period of which \$7537.67 were made as general contributions and \$635.00 were made as memorial contributions. This total results in \$.93 contribution per member of the Grand Chapter Royal Arch Masons of Florida. We seem to be having difficulty in attaining the goal of \$1.00 per member. Through the generosity of the Companions of the Grand Chapter of Florida we have managed to maintain a position of 5th in general contributions and 5th in memorial contributions in national ratings.

Our Most Excellent Grand High Priest, Most Excellent Companion William O. Walker has made the Royal Arch Research Assistance a special item, requiring special attention by the District Deputy Grand High Priests and Grand Line Officers, for the year 1994-1995. Through his efforts we have been able to continue our fine support of the charity. We commend Most Excellent Companion Walker for his outstanding support and for all the help that he has provided in this effort. We also congratulate the many Chapters and the many Companions who have participated in this program and we give a special thanks to the ladies who worked so hard at the "Ladies Boutique" and continued with their wonderful support of our charity. Through the efforts and united support of all participants the Grand Chapter Royal Arch Masons of Florida has received the help needed to maintain a high position in national ratings.

Listed below are the contributions made by each Chapter participating:

28.	Florida	No. 1	50.00
29.	Live Oak	No. 25	50.00

In addition to the contributions listed above, contributions were also received from the following organizations:

1.	Ladies Boutique	700.00
2.	Miami Conclave R.C.C.	200.00
3.	Grand Chapter R.A.M. of Florida	168.00

5.	Labrum Conclave R.C.C.	50.00

The following Chapters have contributed a sufficient amount that equals \$1.00 per member and will receive a 100% participation certificate.

Clearwater	No. 45	Nassau	No. 49

The following contributed sufficient funds (one time \$500.00) to receive the General Grand Chapter Pin with diamond chip.

St. Johns	No. 4	Clearwater	No. 45	"Ladies Boutique"
-----------	-------	------------	--------	-------------------

In addition Dr. Winchester of Clearwater Chapter No. 45 purchased a General Grand High Priest Keystone Pin. He contributed \$500.00, however, the pin is available for \$300.00 and may be purchased with three payments totaling \$300.00 within a triennium.

It is recommended that an extra effort be made to motivate those Chapters that did not participate during this period to get involved in the philanthropy. Participation by all Chapters would certainly help our cause immensely and show much better results on the part of this grand jurisdiction at a time when contributions are not coming as well as we have hoped for. It is also recommended that all Grand Chapter line officers and District Deputy Grand High Priests obtain the information necessary to assist them in preparing a good presentation on the subject for their official visits to the constituent chapters. It is further recommended that full use be made of the film "The Lonely World" to provide newly exalted members with information of our great charity. It will certainly serve as a reminder to those who have seen the film and provide the best information available on the subject to our new members. Each constituent chapter should give serious consideration to amending their By-Laws to include an annual assessment of at least \$1.00 per member to help insure that the charity is properly supported.

We again remind the Companions that we have available brochures describing the charity, the film "The Lonely World", both on 16MM and VHS tape, Certificates that may be purchased, (Red, Silver & Gold), the General Grand Chapter RAM pin with diamond chip, and the General Grand High Priest RAM International Keystone Pin.

We thank the Chapter Chairmen who have worked so hard to achieve these results and all others who assisted in this effort. We also extend a special thanks to Dr. Arnold Lambe who continues to provide the leadership in the panhandle area of Florida for our charity.

I thank our Most Excellent Grand High Priest, Most Excellent Companion William O. Walker for having given me the opportunity to serve Capitular Masonry by appointing me State Executive Officer.

TRIENNIAL COMMITTEE

We are pleased to report that the next General Grand Triennial Convocation of Royal Arch Masons will be held in Asheville, North Carolina on November 1 through 4, 1996. Representatives of the General Grand Chapter have honored the Grand Chapter of Florida with their presence and attention during this Triennium. We look forward to a continuation of our amicable relations.

Plans are already underway to see that the 200th Anniversary of the General Grand Chapter in October 1997 will be marked by a variety of celebrations. The Most Excellent Grand Chapter Royal Arch Masons of Florida expects to take measures to see that the occasions is appropriately observed in the Sunshine State.

The Most Excellent Grand Chapter of Royal Arch Masons of Florida will also observe its 150th Anniversary in February, 1997. Several celebrations are planned throughout the state to observe and mark well that milestone. These festivities should place Florida one step ahead in the planning and execution of anniversary celebrations.

All Florida Masonic Bodies and all Masons wheresoever dispersed are invited to take due notice thereof and join us on these historic occasions.

We, the Triennial Committee, thank Most Excellent Companion William O. Walker and the Grand Chapter of Royal Arch Masons of Florida for allowing us the opportunity to serve.

COMMITTEE ON WORK

There has been a noticeable increase of interest in Chapter activities by the Companions. This seems to be primarily due to the support efforts of the Most Excellent Grand High Priest, his District Deputies, and this committee.

Members of this committee held Schools of Instruction as requested by Districts and many individual Chapters. Most districts sponsored two sessions during the past year as required by the Grand Chapter of Florida, and by so doing the floor work is becoming more uniform throughout the state.

We have observed that fewer Chapters are using rituals in opening and closing ceremonies. We are very encouraged by this because it is the desire of the M.E. Grand High Priest that no rituals be used except by a designated prompter.

We find there is still much concern and many questions have been asked about the several differences in the General Grand Chapter Ritual and our Florida **Red Book, possibly because of the lack of communication or understanding. With the aid of M.E. Companion William L. Buck Jr., this committee presented a method to the 1994 Grand Chapter Session that we hoped would overcome this, and our plan was adopted. These differences are checked by the committee and printed and numbered as to cross reference so that they could be recorded in the ritual of all Companions. **the RED BOOK is the one prepared by the Committee on Work.

In our travels we discovered that many Companions, even Presiding Officers, were not aware of this; therefore the incoming Grand High Priest has assured us that his District Deputies will be instructed to see that all Chapters in their Districts have this information and are requested to make use of it.

The incoming Grand High Priest has also assured us that he will instruct his Deputies to arrange with the Chapters in their Districts for Sessions of Instruction; and to contact the committee chairmen as to time and place so that arrangements can be made to have a committee member be present at that time. This committee is also available to meet with individual Chapters at their request.

We wish to thank M.E. William O. Walker for his assistance and for granting us the privilege of serving this Grand Chapter, also for the District Deputies assistance, and attendance at the sessions.

REPORT OF YOUTH ACTIVITIES COMMITTEE

The Grand Chapter's Walter M. Shirra, Jr. Astronaut Award for Leadership Correspondence Courses was won in 1994 by George Ulee Lord Chapter, Order of DeMolay, Niceville.

It is noted with sadness the deaths of M.E. Russell W. Wells, a senior DeMolay of Paul Revere Chapter, Tampa, and M.I. Winston H. Ward, a senior DeMolay of John M. Cheney Chapter, Orlando.

We recommend that the Grand Chapter continue its annual contribution to the Masonic Youth Association of Florida, Inc.
